

Create Your Community Today!

a product of Waypoint Interactive

Core Benefits:

Community

Safety

Sharing

Navigating Life® connects staff, guardians, caregivers, and family members all in one platform!

Core Features:

Social Features

Like and comment on real-time photos and status updates of your loved ones within the news feed.

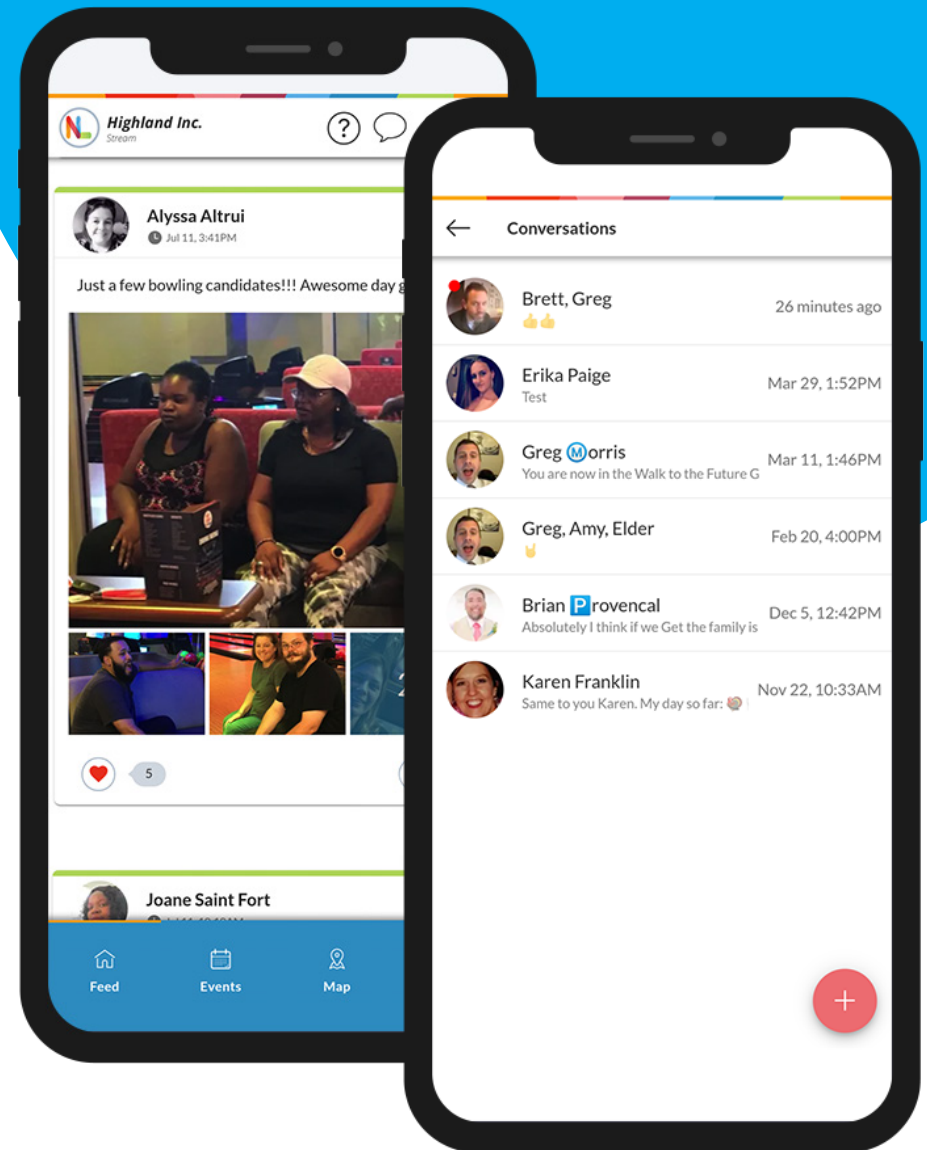

Security

Maintain a peace of mind that groups are in a safe environment with their team leaders.

Instant Messaging

Communicate instantly with messaging capabilities between staff, caregivers and family members.

Core Features:

Calendar & Events

Create and view events occurring in your community with push notifications as reminders.

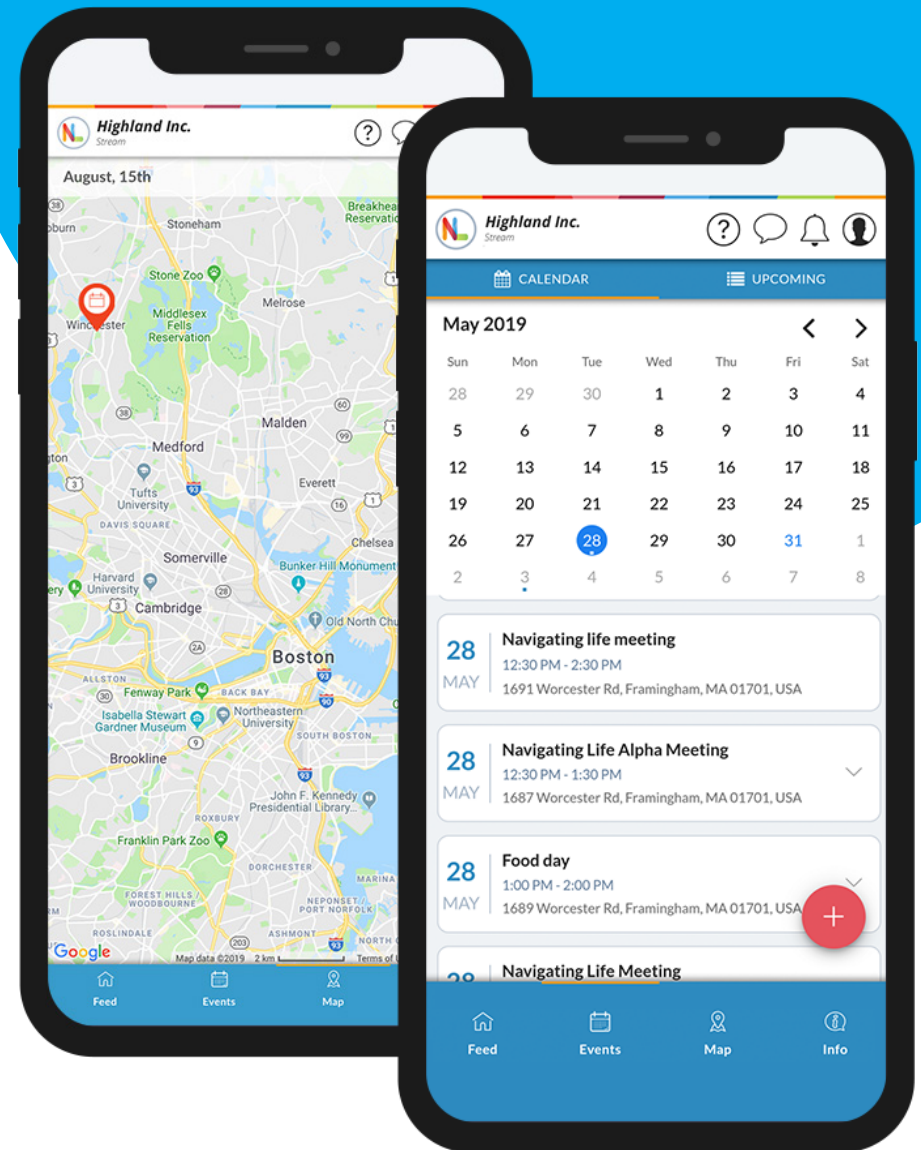

Track History

See where your loved ones are with the integrated map feature, as well as an archive of the previous locations they have visited.

Record Clinical Data

Easily note clinical data in a secure platform that one appears to authorized members.

Navigating Life[®] Helps...

Parents

To get a non-intrusive look into their loved one's life.

Guardians

To receive updates of their loved one's progress toward their life goals.

Staff

To provide a showcase for the work they are doing and the positive impact they are making in people's lives.

Stakeholders

To help confirm quality assurance with access to success stories and progress made toward measurable outcomes.

Families Love Navigating Life[®] Because...

Peace of Mind

Families can rest assured that their loved ones are in good hands.

Insight Into Their Child's Life

For nonverbal people, parents can have a look inside their day-to-day without being intrusive.

Communication with Staff

Parents and guardians can instantly message staff members to address any questions or concerns.

Staff Love Navigating Life[®] Because...

Credibility & Accountability

Staff members receive credit for managing activities and are accountable for their actions.

Time-Saving

Navigating Life puts an end to tedious paperwork as all the clinical data and records live within the app.

Sense of Pride

Seeing families interact with posts gives meaning behind the staff members' jobs.
